

Somebody's someone

All of my life I've been looking
Trying hard to find me a wife
You don't have to know about cooking
As long as you love me for life

I wanna be somebody's someone
Somebody's someone some day
Someone that I can rely on
Somebody's someone some day

Life has not always been easy
I've seen a lot of troubles on my way
But if you're not feeling too busy
Maybe I could ask you to stay
I wanna be somebody's someone
Somebody's someone some day
Someone that I can rely on
Somebody's someone some day

You don't have to look like a model
A natural girl will be fine
As long as we often can cuddle
And as long as you say you'll be mine
I wanna be somebody's someone
Somebody's someone some day
Someone that I can rely on
Somebody's someone some day

Somebody's someone some day
